ABOUT US

WE WOULD LIKE TO INTRODUCE OURSELF AS PUROHIT PIPES INDUSTRIES IS AN ISO CERTIFIED BIGGEST MANUFACTURER AND STOCKIST OF PIPE FITTINGS, and FLANGES IN INDIA. OUR MANUFACTURING RANGE IS MOSTLY FOR SPECIAL GRADE MATERIAL.

We owned state of the art manufacturing unit which is equipped with modern machinery and cutting edge technology. We manufacture our complete range there using superb quality raw materials. We are committed to offer best quality products to our esteemed clients. To ensure this, our competent quality maintenance cell tests our products on several scales.

Our produced and offered range of high-quality products includes **Stainless Steel, Carbon steel, Alloy Steel, Inconel Alloy, Hastelloy, Nickel Alloy, Monel, Copper, Brass, Aluminum, Titanium, Duplex and Super Duplex. In Pipes & Tubes, Plates, Sheets, Coils, Pipe Fittings, Flanges, Studs and Gaskets.** We strive for excellence and is committed to offer the best possible products to all our esteemed customers. We specialize in Large Diameter Stainless Steel, Duplex Steel, Carbon Steel, Nickel Alloys PIPES, FITTINGS, and FLANGES. We also have tie ups with various Worldwide approved Top mills in South Korea ,Japan, Italy and Western Europe from where we can arrange a quicker delivery with excellent quality. which are supplied to various Chemical, Boiler Plants, Power Generation, Civil Contractors, Shipyard, Pharmacy, Petro-Chemical, Agriculture, Refinery Complexes, Oil & Gas & other various sector all over the world.

Our New Launched Products are; **DOWEL BAR & PIPE END BEVEL PROTECTORS.**

We can make the raw material into finished products and inspect the products before they leave factory. Additionally, we have the comprehensive capacity to manufacture the pipe fittings, flanges and pressure vessel products. Our products include high-performance and high-quality pipe fittings with different sizes, material and kinds. Our products are widely used in the industries of petroleum, petrochemical, electric power, shipbuilding, industry, municipal construction and so on. In order to ensure products' quality, we have independent laboratories to make kinds of product testing, such as water pressure testing, penetration testing, radiographic testing, ultrasonic testing and products chemical composition testing.

We have supplied excellent service to obtain customers' trust and become the qualified supplier. At customers' request, we have made cooperation with many classification society, such as ABS, NK, GL, KR. BV. CCS, DNV, RINA etc. Our company marketing network spreads in many major markets, such as the Middle East, Southeast Asia, South America, Russia. We have established a long-term supply relations and gotten unanimous praise from our customers. Our company operates based on good faith, quality first principle to achieve win-win cooperation with customers and develop long-term cooperation happily.

Our material is regularly inspected & approved by various inspection Agencies like EIL, Gulf Lloyds, Bureau Veritas, Tata Consultants, SGS, TUV, Bax Counsel, Velosi, TOYO, UDHE, and Kvaerner. Further we have tie up with Govt. approved laboratory to carry out immediate test for Chemical, Physical & other Supplementary Test required as per standard specifications.

OUR PRODUCTS

1. PIPES & TUBES

We are having stock of pipes in Seamless, Welded, LSAW, ERW, HSAW, SSAW PIPES

Stainless Steel: ASTM A312/ A358/A213 Gr. TP 304, 304L, 304H, 316, 316L, 310, 310S, 317, 317L, 321, 316Ti, 347 Etc.

Inconel Alloy: Inconel 600 (UNS N0600), Inconel 601, Inconel 602ca ,Inconel 625 (UNS N06625), Inconel 800 (UNS N0800), Inconel 825 (UNS N0825)

Monel Alloy : Monel 400, Monel 400K

Nickle Alloy: ASTM A312 TP 904L, Nickle 200, Nickle 201, Alloy 230, Alloy 30

Hatelloy: Hatelloy C22, C276.

Duplex: S31803, S32205

Super Duplex: S32750 / S32760

Carbon Steel: ASTM A106 gr. A/B/C, ASTM A53 Gr. A/B & ASTM A671/672 GR. 60, 65 & 70 EFW Pipes.

Low Temp: ASTM A333 Gr. 6

Alloy Steel: ASTM A335 Gr. P1, P2, P3, P5, P11, P12 & P91.

API 5L Line Pipes: X42, X52, X56, X60, X65, X70, X80 PSL1 & PSL2

Galvanized & 3LPE Coated Pipes.

BRASS PIPES

INCONEL ALLOY PIPES

3 LPE COATED PIPES

2. PLATES

We are Stockist Of Plates, Sheet, Coils & Shims.

Stainless Steel: 304, 304L, 304H, 316, 316L, 310, 310S, 317, 317L, 321, 316Ti, 347 Etc.

Inconel Alloy: Inconel 600 (UNS N0600), Inconel 601, Inconel 602ca ,Inconel 625 (UNS N06625), Inconel 800 (UNS N0800), Inconel 825 (UNS N0825)

Monel Alloy: Monel 400, Monel 400K

Nickle Alloy: 904L, Nickle 200, Nickle 201, Alloy 230, Alloy 30

Hatelloy: Hatelloy C22, C276.

Duplex: S31803, S32205

Super Duplex: S32750 / S32760

Carbon Steel: A36, A572 GR 50, A588 (Corten type), 1045, A516 GR 70, A514 T-1

A572 steel plate is produced in five grades: 42, 50, 55, 60 and 65

Alloy Steel: ASTM A387 GR.1, 2, 3, 5, 11, 12 & 91.

ASTM A283/ A285 Gr. C & ASTM A516 Gr. 50,60,65 & 70

Hardox: Hardox 400, Hardox 450.

3. PIPE FITTINGS & FLANGES

We Are Manufacture Of Pipes Fitting & Flanges, Orifice Flanges, Grooved Flanges & Spectacle Blinds

Types Of Fittings

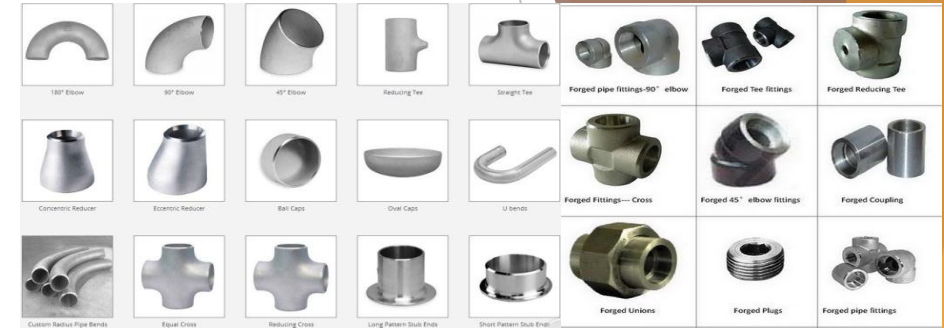

Elbow, Tee, Reducer, Cap, Nipples, Stub End, Cross & U Bends

Types Of Flanges:

Weld Neck (WNRF/WNFF/WNRTJ), Slip On (SORF/SOFF/SORTJ),
Socket Weld (SWRF/SWFF/SWRTJ), Blind Flange (BLRF/BLFF/BLRTJ)

Class: ASTM B16.5 150#, 300#, 600#, 900#, 1500#, 2500#

ASTM B16.47 Sr. A & Sr. B

Stainless Steel: ASTM A403/ ASTM A182 Gr. WP 304, 304L, 304H, 316, 316L, 310, 310S, 317, 317L, 321, 316Ti, 347 Etc.

Inconel Alloy: Inconel 600 (UNS N0600), Inconel 601, Inconel 602ca ,Inconel 625 (UNS N06625), Inconel 800 (UNS N0800), Inconel 825 (UNS N0825)

Monel: Monel 400, Monel 400K

Nickle Alloy: ASTM A312 TP 904L, Nickle 200, Nickle 201, Alloy 230, Alloy 30

Hatelloy: Hatelloy C22, C276.

Duplex: S31803, S32205

Super Duplex: S32750 / S32760

Carbon Steel: ASTM A234 WPB/WPC Flanges: A105/ A105N

Low Temp: ASTM A403 Gr. 6/ LF2

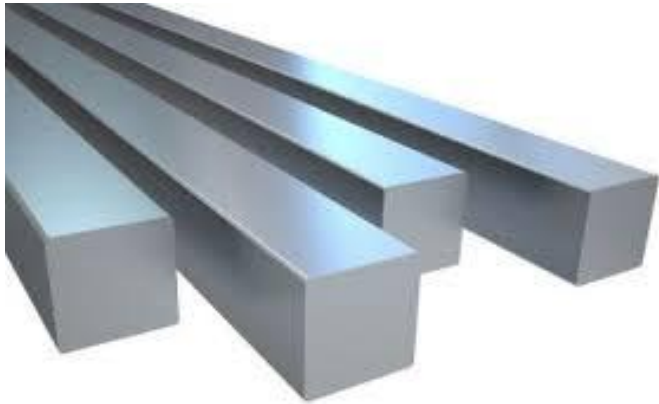

Alloy Steel: ASTM A234 Gr. WP1, WP2, WP3, WP5, WP11, WP12 & WP91.

High Yield Fittings & Flanges: ASTM A815 WPHY42, WPHY52, WPHY56, WPHY60, WPHY65, WPHY70, WPHY80 Flanges:
ASTM A694 F42, F52, F56, F60, F65

4. Round Bars, Square Bars & Hex Bars, Flat Bar

- ▶ We are Stockist Of Round Bars, Square Bars & Hex Bars, Flat Bar
- ▶ Stainless Steel: 304, 304L, 304H, 316, 316L, 310, 310S, 317, 317L, 321, 316Ti, 347 Etc.
Inconel Alloy: Inconel 600 (UNS N0600), Inconel 601, Inconel 602ca ,Inconel 625 (UNS N06625), Inconel 800 (UNS N0800), Inconel 825 (UNS N0825)
Monel Alloy: Monel 400, Monel 400K
Nickle Alloy: 904L, Nickle 200, Nickle 201, Alloy 230, Alloy 30
Hatelloy: Hatelloy C22, C276.
Duplex: S31803, S32205
Super Duplex: S32750 / S32760

5. Stud Bolts & Gaskets

Stainless Steel: ASTM A193 GR. B7, GR. B8 CL.1, B8 CL.2, B8M CL 1, B8M CL 2

Low Temperature: ASTM A320 GR. L7, GR. L43, GR. B8 CL.1, B8 CL.2, B8M CL 1

Inconel Alloy: Inconel 600 (UNS N0600), Inconel 601, Inconel 602ca ,Inconel 625 (UNS N06625), Inconel 800 (UNS N0800), Inconel 825 (UNS N0825)

Monel: Monel 400, Monel 400K

Nickle Alloy: 904L, Nickle 200, Nickle 201, Alloy 230, Alloy 30

Hatelloy: Hatelloy C22, C276.

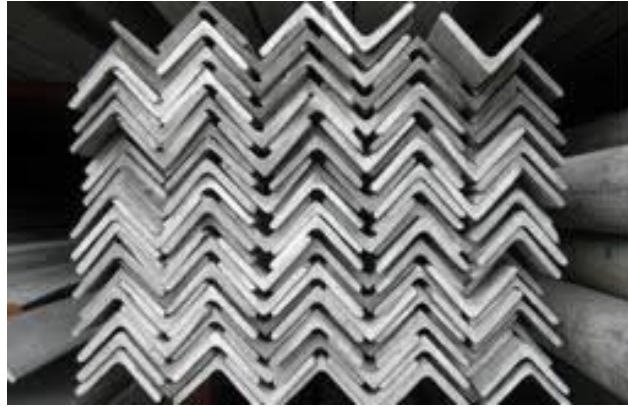

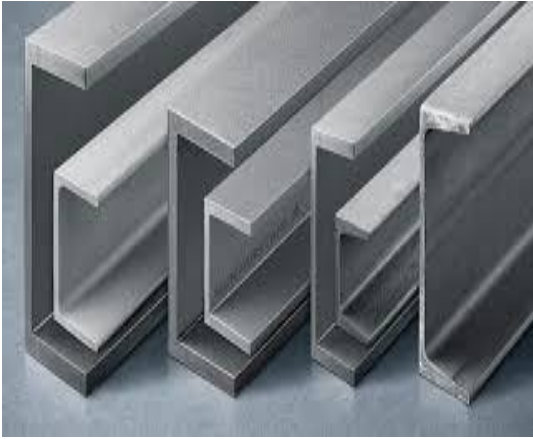

Duplex: S31803, S32205

Super Duplex: S32750 / S32760

6. Angle, Channel & Profile

We can also Supply Angle Channel & Profiles as per your requirement.

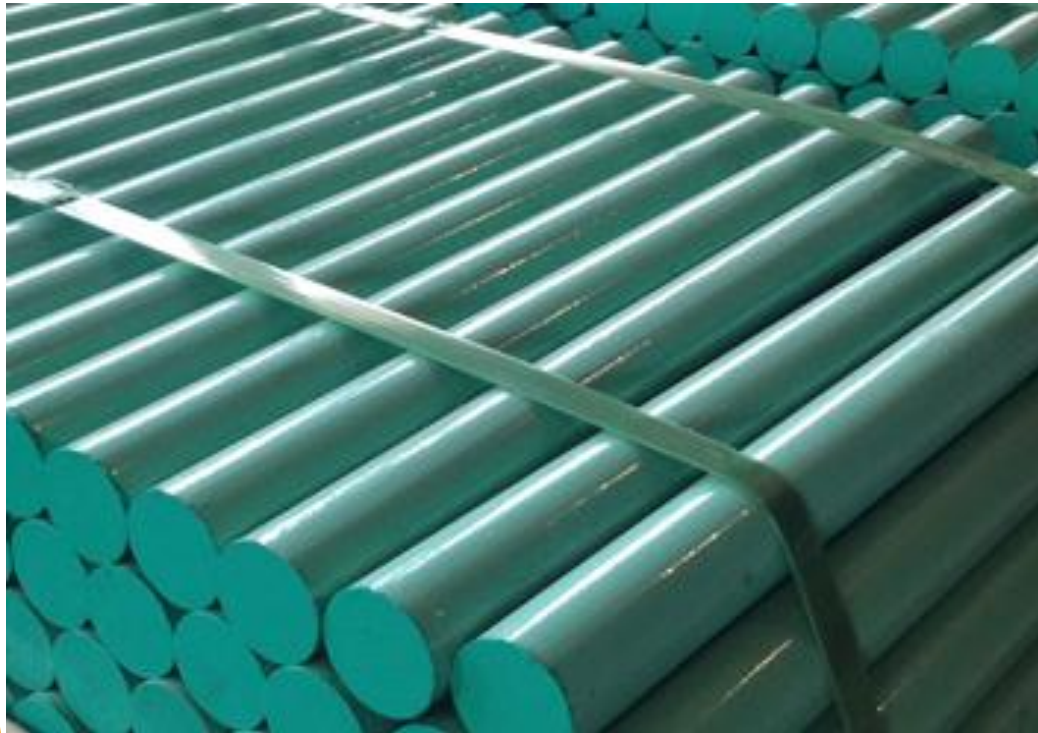

7. Hot Induction Bends

We are manufacture & supplier of Hot Induction bends.

8. Dowel Bars & Pipe Bevel End Protector Caps
Dowel Bars & Bevel Protector Cap is our new products.

DOWEL BARS

PIPE BEVEL PROTECTORS

9. Fabrication

We also customise fabrication at our warehouse.

Quality Policy

In order to produce goods of international standards, we procure all our raw materials from approved stockiest. These materials are then again checked during the manufacturing process for physical & chemical properties, and also for precision and thread fittings by our quality control engineers. All goods produced, come with a manufacturing test certificate and guarantee certificate.

Our material is regularly inspected & approved by various inspection Agencies like EIL, Gulf Lloyds, Bureau Veritas, Tata Consultants, SGS, TUV, Bax Counsel, Velosi, TOYO, UDHE, and Kvaerner. Further we have tie up with Govt. approved laboratory to carry out immediate test for Chemical, Physical & other Supplementary Test required as per standard specifications.

As we are maintaining bulk stock in every item, we can arrange supplies in time and that too at the most competitive rate. We request you to kindly enlist our name with your approved vendor list and favor us with your valuable enquiries against your regular requirements. You can also visit our website for further details about our company

Our mission is to supply Reliable quality at affordable cost to cater the needs of nation.

Our Goal is to emerge as market leader by preserving the confidence of our valued customers.

We shall endeavour to continually improve through group efforts.
